

SpanSet®

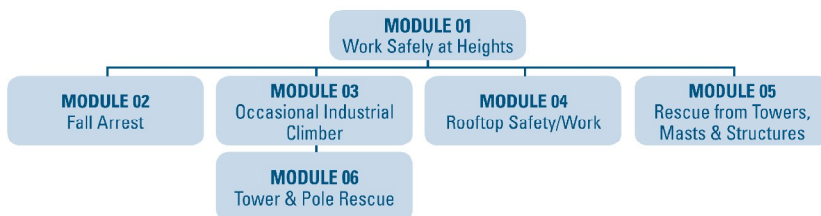

Height Safety Modular Training System

Presented by Kerrect Group

General Information

Kerrect are proud to offer Nationally Accredited Height Safety Training in association with Spanset Australia. The following pages explain how our unique modular training approach enables you to tailor your training to suit your specific needs.

HEIGHT SAFETY FOR INDUSTRY

COURSE JOINING INSTRUCTIONS

COURSE FEES

1 day (2 modules) : \$ 250 per person
or \$ 2,000 per group booking (8-10 people)

COURSE BOOKING

Call us to discuss course dates then simply complete the attached booking form and return to us on fax no.02 9519 0699. To complete your booking we require payment 10 working days prior to commencement of your course. (Additional travel and accommodation may be charged for 'on site' training.)

EQUIPMENT & CLOTHING

All equipment required throughout the course can be provided by Kerrect. Candidates should provide their own clothing and comfortable footwear (enclosed shoes), with provisions made for weather conditions.

FOOD & REFRESHMENTS

Refreshments will be provided throughout the day on all course held at our training centers.
